

West Perth Public Library

Diversity and Inclusion

Purpose

West Perth Public Library recognizes and affirms the dignity of those it serves and works with, regardless of heritage, education, beliefs, race, income, religion, gender, age, sexual orientation, gender identity, gender expression, physical or mental abilities.

Responsibility

West Perth Public Library is committed to fostering an environment of understanding and respect. We support everyone's learning, regardless of their backgrounds or personal beliefs. The inherent dignity of all individuals is grounded in the United Nation's *Universal Declaration of Human Rights*, the *Canadian Charter of Rights and Freedoms*, and Ontario's *Human Rights Code*. The West Perth Public Library Board endorses the *Statement on Diversity and Inclusion* as set out by the Canadian Federation of Library Associations (CFLA):

The Canadian Federation of Library Associations (CFLA-FCAB) believes that a diverse and pluralistic society is central to our country's identity. Libraries have a responsibility to contribute to a culture that recognizes diversity and fosters social inclusion.

Libraries strive to deliver inclusive service. Canada's libraries recognize and energetically affirm the dignity of those they serve, regardless of heritage, education, beliefs, race, religion, gender, age, sexual orientation, gender identity, physical or mental capabilities, or income.

Libraries understand that an acceptance of differences can place individual and collective values in conflict. Libraries are committed to tolerance and understanding. Libraries act to ensure that people can enjoy services free from any attempt by others to impose values, customs or beliefs.

The library also supports the Communiqué on Anti-Black Racism published by the Canadian Federation of Library Associations (CFLA-FCAB) on June 9, 2020.
