

Human Resources Management

Purpose

In accordance with the *Public Libraries Act*, R.S.O. 1990, c. P44, s. 15(1). “A board may appoint and remove such employees as it considers necessary, determine the terms of their employment, fix their remuneration and prescribe their duties.”

The West Perth Public Library Board, as the employer of all library staff, seeks to create and maintain a work environment that is conducive to attaining its mission and values by supporting the following:

1. *Appropriate staffing to provide services to the community.* Maintain a sufficient number of employees who receive ongoing training and skills updating, and ensure there is someone who can oversee library operations on an emergency basis in the absence of the Library CEO.
2. *Employees are treated fairly and professionally.* Human resources policies and procedures respect and adhere to provincial legislation related to employment and, where possible, go beyond minimum standards. These policies are applied consistently to all library and municipal employees. Employees are aware of these policies and procedures, and have a vehicle for expressing an ethical dissent or reporting that human resources policies have not been followed.
3. *Employees receive fair compensation.* Rates of pay and benefits do not deviate materially from the geographic and professional market for the skills employed, and compensation adheres to the principles of pay and internal equity.
4. *The personal information of all employees is kept confidential.* Employee records may be accessed only by the CEO, direct supervisor or HR professional who must protect the privacy of employees.

Responsibilities

The Library Board is the employer of all library staff, and ultimately responsible for all human resources decisions.

1. The Library Board approves all policies that are in support of its vision for human resources management, including any clauses or practices originating from the Municipality.
2. The Library Board, *as a collective whole*, hires and manages the Library CEO.
3. The Municipality provides payroll processing as well as HR support and guidance, in accordance with the *Memorandum of Understanding* between West Perth Public Library and the Municipality of West Perth.

The Library CEO is responsible for human resources management within the Library.

1. The CEO develops human resources policies that support the Board's vision, for Library Board approval.
2. The CEO keeps abreast of legislative and social changes which have an impact on the Board's human resources policies and procedures.
3. The CEO hires and manages all library employees, either directly or through other supervisors.

Employee Records

The Library and Municipality maintain current, confidential information for each library employee to meet statutory requirements such as income tax, pension, and employment insurance benefits. Information is kept to provide documentation to substantiate decisions on hiring, promotion, compensation, benefits, disciplinary action, and termination.

1. Employee records are secure, and electronic records are password-protected.
2. An employee may request, and will be granted, access to their records.
3. An employee is not permitted to remove or add anything to the content of the employee files.
4. Where a Board member seeks access to an employee's personal information, the Board member may only obtain the personal information:
 - a) in compelling circumstances affecting the health or safety of an employee;
 - b) in compassionate circumstances to facilitate contact with the next of kin or a friend of an employee who is injured, ill, or deceased.

5. Each record contains basic administrative information including emergency contact numbers, benefits, salary and tax-related information, letter of employment, performance appraisals, and professional development information.
6. A record of emergency contact information for each employee is maintained; employees should advise the employer promptly of any change to their personal information held at the Library and/or Municipality.
7. Records that are no longer required are destroyed in a secure manner.
8. Any breach of privacy must be reported to the CEO.

Employee Communications

Well-informed employees contribute to stronger organizational decision-making, and better represent the Library to the public.

1. Reports, long-term plans, and operational information are circulated to employees.
2. The CEO and/or supervisors meet regularly with employees to facilitate strong staff participation in the workplace.
3. Library employees are not expected to engage in workplace communications outside of their regular working hours except in urgent/emergency situations, in accordance with the Municipality of West Perth's *Employee Policy and Procedures Manual*, section III, policy III-14: Employment Conditions and Conduct – Right to Disconnect from Work.
